## *(Partnering Animals with Seniors)*

We are committed to finding loving homes for all of our adoptable animals. Sometimes it's more difficult to place our 'senior' dogs and cats, so in an effort to help improve their chances AND offer seniors in our community an opportunity to spend their golden years filled with unconditional love...the Humane Society for Hamilton County will discount the adoption fee for all P.A.W.S eligible animals\* to just \$25.00 for any adopter who is 55yrs or older.

### **P.A.W.S. Adoption Fees**

-  1 cat or dog: \$25.00
-  2 pets: \$35.00 for both

P.A.W.S. adoptions include all the same benefits as our standard adoption program.

*Effective date: July 8, 2005*

\*Dogs 5yrs or older and cats 6yrs or older are considered 'seniors'. If an animal is eligible for the program, the cage or kennel will be marked with a P.A.W.S. tag.
