## HUMANE SOCIETY FOR HAMILTON COUNTY IS PRIMARILY DONOR FUNDED

We contract with Hamilton County and its municipalities to shelter stray, unwanted and all animals found or seized by Animal Control or law enforcement agencies in Hamilton County. This annual agreement covers only the basic cost to process and shelter an animal for 7 days per the Hamilton County ordinance. It does not cover the cost of any life-saving medical care an animal may need, the cost of marketing and fundraising, spay/neuter, or any costs to shelter and care for animals after 7 days. Funding from the county represents approximately **20%** of our annual operating budget, with the remaining funds raised through individual donations (including bequests and gifts from trusts and stock), HSHC fundraising events and programs, sponsorships, and grants – in that order.

# OUR MISSION

Our mission is saving lives, educating communities, and completing families. When it comes to saving lives, HSHC takes in over 3,900 animals each year including hundreds at risk for euthanasia in other Indiana shelters.

**In fact, the Humane Society for Hamilton County is one of the only open admission, truly no-kill shelters in the United States.**

Our community outreach programs connect children, seniors, Hoosier veterans and more with the healing power of pets every day...and our youth education programs are planting the seeds of kindness, responsibility, and philanthropy in thousands of children each year.

Our advocacy for animals reaches far beyond Hamilton County as we have taken a leadership role in fighting breed discrimination and better laws to protect animals.

The commitment to our mission doesn't stop with Hamilton County. We've always shared available resources to save as many out-of-county animals as possible... and we won't stop until all Hoosier animals have a chance to live, love, and be loved.
